Personalized Provider Directory

SANFORD HEALTH PLAN

This provider listing includes health care providers in the Sanford Health Plan network based on the criteria you selected during your search. It is complete and accurate as of the printing or publishing date.
Accordingly, the information contained herein is subject to change without notice. Inclusion of a provider in this directory does not guarantee benefit coverage. Please consult your Policy, Certificate of Insurance or Summary Plan Description to determine your benefits. Some services require preauthorization, which means that you have to call before your receive the service. Please contact our Utilization Management department to obtain your preauthorization requirements.

In network coverage means covered services that are:

a) received from a Sanford Health Plan participating provider within the Sanford Health Plan service area; or
b) received from a participating provider outside of the Sanford Health Plan service area if:
    a. a participating provider has recommended the referral; and
    b. the Plan has:
        i. authorized the referral to a participating provider outside of the Plan's service area; or
        ii. authorized the referral from a participating provider to a non-participating provider.
c) received in an emergency medical condition or an urgent care situation; or
d) received when the member does not have appropriate access to a participating provider

Provider Qualifications - Providers that participate in-network must:

1) meet our credentialing process and
2) acknowledge and accept to adhere to practice standards according to the National Committee for Quality Assurance (NCQA) quality criteria

NCQA measures are used to monitor clinical performance and patient experience. We look at the number of hospitals, behavioral health providers, primary care providers and specialists in the counties where our members reside, and we make sure that our members can access these providers according to state network adequacy, access and availability laws. If you have any questions concerning providers or the network in your area, or the physician qualifications, contact our Customer Service Team at (800) 752-5863.
